

Campus Living is seeking groups and organizations to serve as volunteers for this coming fall's Move-In from Wednesday, August 15 through Friday, August 17.

Move-In volunteers welcome residents and their families to campus while assisting them with carrying boxes, answering questions, and providing directions. Additional volunteers assist with our check-in process at Minges Coliseum. We can accommodate any size group; individuals are also welcome to volunteer.

If your department, organization, or group is interested in participating – or would like more information – please arrange for a representative to contact Dave Hilbert in Campus Living at hilbertd17@ecu.edu or 737-1063.
