Fitness Graduate Assistant

PROGRAM OVERVIEW
Campus Recreation and Wellness at East Carolina University provides the following programs and services for the campus community: wellness, intramural sports, physical activity & fitness, informal recreation, club sports, adventure leadership programs, summer camps, and special events. Facilities include a state of the art 150,000 square foot Student Recreation Center; 30,000 square foot Health Sciences Student Center; an 18-acre multi-sport field complex; a team challenge course; and a 129-acre sports complex which includes eight sport fields, a six-acre lake, disc golf course, boathouse, walking/jogging trails, outdoor fitness equipment, sandy beach area, beach volleyball courts, and an Odyssey challenge course.

UNIVERSITY
East Carolina University is a constituent institution of the University of North Carolina System and has an enrollment of over 29,000 students, making it North Carolina’s fourth largest institution of higher learning. The main campus is adjacent to downtown Greenville, NC, a city of over 70,000 people. Greenville is the hub of the eastern North Carolina coastal plain and a business, medical, and educational center. It is 80 miles east of Raleigh, the state capital, accessible by highway and nearby airports, and within easy driving distances of coastal resorts and the Outer Banks.

REQUIREMENTS FOR CANDIDACY
Bachelor’s degree required from an accredited college or university. Preference is given to candidates specializing in the eastern area, East Carolina University’s 129-acre sports complex, and in recreation and sport sciences. Preference is given to candidates specializing in the eastern area, East Carolina University’s 129-acre sports complex, and in recreation and sport sciences.

EQUIPMENT FOR TOOLS
COPE OF ROGRAM VIEWS
This is typically a 2-year position with a satisfactory evaluation required to continue to second year.

SCOPE OF POSITION
As a result of this Graduate Assistant position, students will have the opportunity to gain the following core competencies based on the ACPA/NASPA Professional Competency Areas for Student Affairs Practitioners:

- **Human & Organizational Resources:** Includes knowledge, skills and attitudes used in the selection, supervision, motivation, and formal evaluation of staff, conflict resolution; management of the politics of organizational discourse; and the effective application of strategies and techniques associated with financial resources, facilities management, fundraising, technology use, crisis management, risk management and sustainable resources.
- **Leadership:** Addresses the knowledge, skills, and attitudes required of a leader, whether it be a positional leader or a member of the staff, in both an individual capacity and within a process of how individuals work together effectively to envision, plan, effect change in organizations, and respond to internal and external constituencies and issues.

Campus Recreation and Wellness empowers student employees to become leaders by gaining valuable experience within a departmental Student Staff Leadership framework.

RESPONSIBILITIES
The Fitness Graduate Assistant is expected to fulfill the following general responsibilities:

- Assist in the development, implementation, evaluation and assessment of fitness and physical activity programs, which may include classroom and residence hall presentations, workshops, special events (some may occur in the evening and on weekends).
- Assist in the recruitment, training and development, scheduling, supervising, and evaluation of fitness area employees such as Fit Trainers, Personal Trainers and Group Fitness Instructors.
- Conduct fitness area orientations, weight training educational workshops, or other fitness related sessions.
- Design and implement incentive programs for general fitness.
- Assist with the supervision and evaluation of undergraduate internships students placed in the department.
- Assist in the marketing and promotion of campus recreation events and activities.
- Assist in the research and purchase of fitness equipment.
- Assist in the assessment of campus recreation programs through various research tools.
- Assist with assessment, risk management and technology.
- Research health-related topics as assigned.
- Assist in the development of student leaders within fitness and physical activity.
- Work in close cooperation with multidisciplinary staff at Campus Recreation & Wellness and other Student Affairs and the campus community.
- Assist with administrative tasks and other duties as assigned.

DATES OF EMPLOYMENT & COMPENSATION
Expected work dates are August 1, 2018 – December 14, 2018 and January 2, 2019 – May 3, 2019 (excluding all student observed holidays).

- Stipend of $10,500.00, for 9 ½ months. Professional development support available. Full North Carolina resident in-state tuition. Out of state students are responsible for paying the amount of the difference between out of state and in-state tuition. All students are responsible for payment of student fees. Additional opportunities are available for summer income with the summer camp program.
- This is typically a 2-year position with a satisfactory evaluation required to continue to second year.
- Since this position if funded from auxiliary funds, filing of this position is contingent upon the continuing availability of these funds.
- Position is open until filled. Applicant review will begin immediately.

APPLICATION PROCESS
